

Your Customers Can ePort You to a Vacation!

The TVB ePort Sales Contest has been extended through the end of the year — now there's more time for you to introduce all of your clients to the benefits of ePort!

Winning is easy — simply register all of your clients to use ePort.

The AE who registers the most clients who send orders for the first time via ePort will win a trip for themselves and a guest, including airfare, hotel, and a \$1,000 gift card. 

Remember, nearly every advertiser and agency can send orders via TVB ePort, through their buying system or through ePort Connect.

Not sure what ePort is or how to register clients?
